

Guidelines for the TSC Financial Aid Program

The TSC Financial Aid Program shall be administered by the TSC Financial Aid Committee. The Financial Aid Committee shall: 1) be responsible for screening and interviewing applicants; 2) grant scholarships; and 3) present a written report of granted scholarships to the Board. The Financial Aid Committee shall consist of three (3) members of the Board and shall be chaired by the Secretary. All information and discussion by this committee shall be held in the strictest of confidence. Disclosure of a family's financial information by any member of the committee will result in that member being removed from the committee and their child(ren) may be removed from the Club.

Awards will be credited to the applicant's respective Team account. The amount of the aid per player will be determined by the committee each soccer season.

Applications must be submitted for each season without regard for whether or not a family received prior assistance.

- The financial aid program will be based strictly on a financial need basis as determined by a guardian's most recent tax return and other pertinent information as provided by the applicant.
- TSC has the right to refuse financial assistance to any applicant, or rescind financial aid for any recipient who does not remain in Good Standing.
- The program is available to both boys and girls and all ages.
- There is no limit to the number of children in a particular family that may receive financial aid.
- Recipients must remain in good standing with TSC, inclusive of responsibilities associated with the TSC Code of Conduct, Team fees, and prompt regular attendance to training and games.
- Volunteer hours are required to assist the club for tournaments, events, field and facility operations and other miscellaneous tasks. Players 13 and older are allowed to assist in fulfilling the volunteer responsibilities of the family if the task is appropriate for the player's age. Financial Aid will be credited to the player's record upon monthly receipt of the Verification of Volunteer Hours Form.
- Families will be responsible for paying any uniform, club, or team expenses not covered by the financial aid award.
- Due to the limited funds budgeted we suggest that families apply as early as possible, before the close of registration.
