

Fall 2019 Tennessee State League

➤ Scheduling

- Teams will coordinate with the other teams in their division to schedule one game per opponent (using the contact list provided)
- Games are to be played between August 24th and October 6th. We will use October 12th-13th for rain dates, should multiple weekends be rained out. Please do not schedule a game for the rain dates until TSSA notifies the rain date is open.
- Schedules should be in Affinity by August 9th for all games being played August 24th-31st. Games being played September 1st -October 6th should be in Affinity by August 16th.
- Once games are in Affinity the state office will use the schedule to assign referee's
- Use the instructions provided to input schedule into Affinity
- You may be able to coordinate a TSL match within a tournament, as long as both teams agree and the tournament director confirms they will follow all TSL rules
- Teams need to plan to travel for some of their games
- Teams will be responsible for booking and paying for field rentals

Fall 2019 Tennessee State League

➤ Divisions

- As a reminder age groups with 10 or more teams were broken into Eastern and Western. Eastern plays Eastern and Western plays Western
- Age groups with 15 or more teams were broken into Eastern, Western, and Central. Eastern plays Eastern, Western plays Western, and Central plays Central
- If a club has 2 or more teams in the same division, they must schedule their game 1st- the game must be played before all other games

➤ Referee's

- TSSA will work with the local assignor to assign referees for TSL matches- Teams do not need to find referee's.
- Teams are responsible for splitting the referee fee with the opposing team, please note referee assignor fees have increased- Please note travel fees could also be applicable

Fall 2019 Tennessee State League

➤ TSL Matches

- The HOME team manager is responsible for bringing the Match Report to the game and returning the completed Match Report to TSSA after the match, along with copies of BOTH team rosters
- The HOME team manager is responsible for recording the game score and red/yellow cards into Affinity after the completed Match-this is to be completed no more than 48 hours after the match
- Please note the HOME team is auto selected in Affinity and is not the same as the HOST team. The HOME team should wear the light color and that team manager should collect Match Report/Rosters/ and enter scores
