

## Tennessee SC – Travel Policy

- An itinerary should be given to all the players by the coach or manager before departure to any out of town tournament.
- We strongly encourage players to travel together as a team when possible.
- If 5 or more players are flying to a tournament together, they should wear khaki pants or shorts and their TSC red training shirt or TSC warm-up jacket. All players must dress the same.
- Teams should travel from the hotel to the fields and back together when possible.
- Players must dress uniformly when departing for games.
- Using the swimming pool, Jacuzzi, exercise equipment or the like must be done with permission from the coach.
- Players must never leave the hotel without permission of the coach, unless you are leaving with parents. Otherwise the coach and manager should know the whereabouts of the players.
- Players must follow the itinerary at all times.
- Every person associated with the Tennessee Soccer Club must follow the rules of the hotel in which they are staying.
- Players are not allowed to run around, play soccer in the hotel hallways, or walk around barefoot or shirtless.
- If the tournament allows both male and female teams, casual association during free time will be allowed in public areas, but NO player will enter the rooms of players of the opposite sex.
- If a conference is necessary between a coach and an individual player, it must be done in the lobby of the hotel. Should a more private area be required, then it should be done with the presence of a manager, the player's parents, or another adult.
